Product care instructions

Fabrics are fit for 100 cycles domestic laundry (ISO 6330 - 60°C) and 100 cycles industrial laundry (ISO 15797 - 75°C).
To preserve the fabrics strength and protective capacity, we strongly advice to follow our detailed care instructions.

1. Always launder with coverall zippers closed.
2. Remove all tools from pockets
3. Rinse properly after wash.
4. Never wash flame retardant clothing with detergents containing bleach.
5. After washing, tumble dry at 50°C to avoid excessive shrinkage.
6. Do not iron directly over heat seal logos.

Whenever in doubt or in need of advice, ask your dry cleaner or contact us. We are here to help or visit **www.roots-original.com/product-care**
