

## Description

The Roots Mohawk S3S SR LG FO is a mid-cut work shoe. The Mohawk has a full-grain leather upper. The reinforced toe cap reduces wear and tear when working on your knees. The Mohawk has fibreglass toe protection. The midsole is made of anti-puncture textile, which ensures high penetration resistance. The PU/rubber outsole is wear-resistant and, in addition to good grip, also offers optimal cushioning for excellent walking comfort. Walking comfort is further enhanced by the PU insole.
